State Route 89 White Spar Road Improvements

PUBLIC MEETING

Wednesday, February 3, 2010 • 5 p.m. to 7 p.m.

Prescott Landmark Church

1206 White Spar Road • Prescott, AZ 86303

A brief presentation will begin at 5:15 p.m.

Federal Highway
Administration

The Arizona Department of Transportation is planning to widen and repave State Route 89 in Prescott from Copper Basin Road to Peterson Lane. Construction is scheduled to begin in early 2011 and last approximately four months.

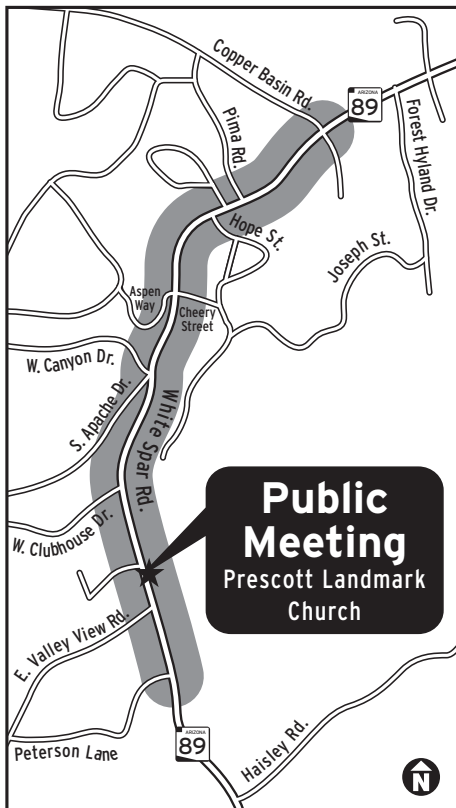

Project improvements include:

- Widen and repave road between Copper Basin Road and Peterson Lane, and install bike lanes and sidewalks, that will improve movement for motorists, cyclists, and pedestrians.
- Add continuous left turn lane, between Cheery Street and Copper Basin Road.
- Install curb and gutter, which defines the roadway, makes driveways safer and more visible, and improves drainage.
- Other drainage improvements.
- Retaining walls to stabilize road from the edges.
- New commercial and residential driveways.

Representatives of ADOT and the project team will be available at the meeting to provide information, answer questions, and discuss the project with the community.

For more information regarding the improvement project please contact Bill Pederson, ADOT Prescott District Public Information Officer at 602.712.8069 or bpederson@azdot.gov.

More information regarding all projects in the Prescott District can be found at www.azdot.gov/PrescottProjects.
