Due to unfavorable weather conditions on January 21, The Arizona Department of Transportation (ADOT) has rescheduled the public meeting to Wednesday, February 10, 2010.

ADOT is planning to install a low-profile raised concrete median on State Route 69 between Prescott and Prescott Valley from Sundog Ranch Road to Sunrise Boulevard. Construction is scheduled to begin in 2010 and last approximately 6 to 8 months.

Representatives of ADOT and the project team will be available at the meeting to provide information, answer questions, and discuss the project with the community.

For more information regarding the improvement project please contact Bill Pederson, ADOT Prescott District Public Information Officer at 602.712.8069 or bpederson@azdot.gov.
